

## **Marie A. Langan Scholarship & D. Daniel Nobili Scholarship**

The Connecticut Association of Housing Code Enforcement Officials, Inc. CAHCEO scholarships are in honor of Marie A. Langan and D. Daniel Nobili as the result of the important and everlasting contribution in code enforcement they made to the State of Connecticut. Marie Langan and D. Daniel Nobili cared deeply about the health, safety and welfare of the residents in the state and their respected municipalities. They also had a shared belief to educate all code enforcement officials on the sanitary maintenance of living units. They demonstrated their commitment by serving on various community boards and leadership positions of the CAHCEO organization in it's early stages while leading the way as positive role models for future code enforcement officials. The scholarship recipients will be selected who best exemplify the attributes of the CAHCEO Organization's Founding Fathers, which were vision, leadership and community involvement. The opportunity to improve the quality of life through educational studies will be a lasting tribute to the CAHCEO Organization. Scholarship recipients will be chosen by approval of the CAHCEO Board of Directors. The scholarships will be presented at the CAHCEO Annual Meeting on Friday June 12, 2009 at Anthony's Ocean View Restaurant located at 450 Lighthouse Road New Haven, CT.
